PETITION TO REVIVE PURSUANT TO 37 CFR 1.137(b)
UNINTENTIONAL ABANDONMENT

Hon. Sir:

This is a Petition to revive the above-identified patent application. A second non-final Office Action was mailed on April 21, 2004. The period for response expired on October 21, 2004. On November 19, 2004, Examiner Jean C. Witz contacted applicant's attorney. Consequently, it

was determined that this application was unintentionally abandoned and a Petition to Revive was in good order.

Applicant respectfully submit that the entire delay to filing the enclosed amendment from the due date of October 21, 2004 until the filing of the enclosed Petition pursuant to 37 CFR 1.137(b) was unintentional.

Applicant also respectfully submits that the enclosed amendment is fully responsive to the official action and is sufficient to have avoided the abandonment had it been timely filed.

Respectfully submitted
